

合気道 Shanghai Xijiao Aikido Club  
NEWSLETTER

14.3.2011

Dear Friends,

Thank you very much to all of you that you came to our Dojo opening last Monday. For us who started our new group it was a very exciting event and we are very grateful for you to share this with us. The high spirit during keiko as well as the nice atmosphere at the party afterwards made us feel very happy and satisfied with this first important step.

Special thanks again to our friends from Shanghai International Aikido Club and from Hangzhou Aikido Club. And in particular we are very grateful for the nice gift from Nokura Sensei and Masako, who could not come. Since the national tragedy in Japan overshadows our happiness, we will keep the gift until we will have a suitable occasion to share it with them.

Now that the first kick-off is done we are enthusiastic to continue with our regular practice and the spreading of Aikido.

As you know we practice now every Monday and Wednesday from 19:00 to 20:30. This Wednesday (16.3.) we will welcome Andrea Raviglione (2nd Dan) as instructor.

kind regards and see you on the mats again....
